"Tin Soldier" Hoyt, the playwright, is a member of the New Hampshire legislature, although frequently absent from the seat of government. He is very proud of the honor, however, and lets off a speech on every available occasion.

Sir Henry Hussey Vivian, who received one of the four birthday peerages in England recently, has been a member of the House of Commons for forty-one years, and has enjoyed the uncommon privilege of seeing a statue erected to him during his lifetime.

Dr. Broadbent, in addition to being the Prince of Wales' family doctor, is one of the most distinguished physicians in Europe.
